SHOCKING EMERGENCY CALLS

Season 1

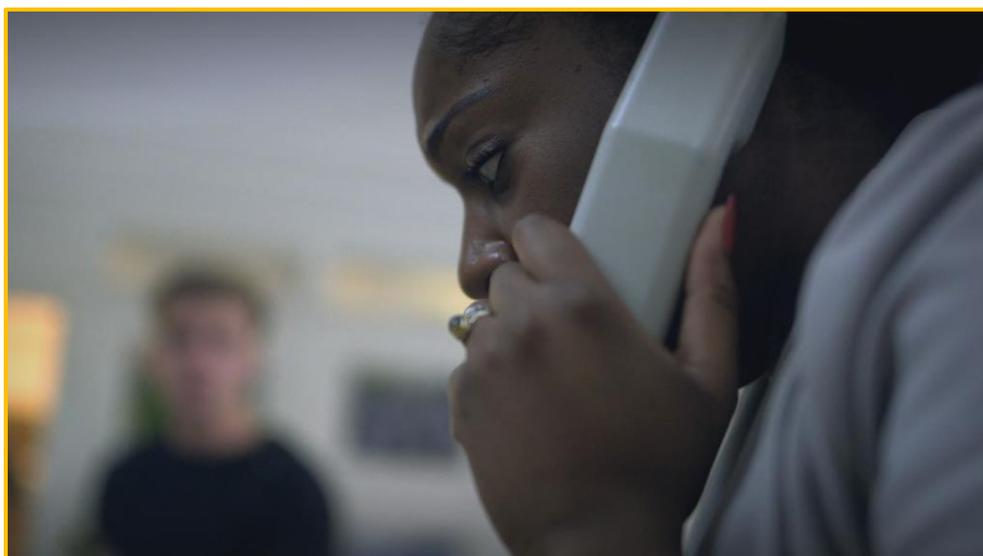

Channel Premiere

**Weekends at 21:10 and 01:25, from 1st to 30th May.
Repeated weekdays at 21:10 01:25 from 21st June until 2nd July.**

Socking Emergency Calls tells the real story behind the most dramatic and extraordinary calls made to emergency operators. From victims at their most vulnerable to cold-blooded killers confessing to their crimes, the calls act as the catalyst to unravel the story - as told by those at the center of it.

With exclusive interviews and never before seen footage, this series tells the harrowing and heroic accounts of those caught up in these tragic events. Firsthand accounts from responders showcases the work of emergency services as they put their lives at risk and face moments they will never forget.

As the dialing tone starts, the true events behind terror attacks, catastrophic fires, murders, animal attacks and an abduction are revealed.

**Continues on weekends at 19:30 and 01:20, until 16th May.
Repeated on weekdays at 21:10 and 01:25 from 10th to 21st May.**

You've planned this for months, forged your story into that one timeless image and refrained from drinking for 24 hours. Now it's time to roll up your sleeves and brace for the craziest tattoo experience in town. With the rumble of a V-twin engine and the hum of a state-of-the-art tattoo machine, Johannesburg based tattoo shop *Rumble & Hum* will knock you where you didn't see it coming!

Watch as the wackiest mixture of comedy and tears unravel into masterpieces of ink and skin. Established artist 'Vudu' Lew Williams takes no prisoners with his piercing shout-casting remarks, pranks and zen-like focus when he puts needle to canvas. These guys are wild, loud and insatiable when it comes to crazy humour, eccentric clients and world-class tattooing. Welcome to the mania and magic *Rumble & Hum!*

Season 17
Channel Premiere

**Continues on weekdays quadruple bill from 15:45 until 17:25, until 2nd July.
Repeated weekends from 11:10 until 17:50 from 8th May until 4th July.**

With her outspoken style, hard-hitting decisiveness and engaging wit, Judge Judith Sheindlin single-handedly reinvented the courtroom genre and in the process has become a pop culture icon. A former New York family court judge known for her ability to cut through a dispute and get to the core of the emotional issue at hand, Judge Judy acts as a true moral compass for people seeking guidance, resolution and common sense in their lives. Judge Judy's goal is to make a lasting impression that will discourage repeat offenders and help heal families and victims of injustice. There are many imitators, but only one Judge Judy!
